

## **Upcoming Professional Workshop**

### **A framework for behavior management in the classroom setting**

#### **Overview**

This workshop presents an overview of the different challenging behaviors teachers see in the classroom, why students may be displaying these behaviors, and how we can support these students in the classroom setting, in order to optimize academic learning time in class.

#### **Objectives**

Participants will:

- Gain an understanding of why students display certain behaviors
- Leave with concrete strategies that can be applied in a classroom setting that may benefit all students
- Become familiar with problem-solving steps to identify appropriate strategies for child-specific challenging behaviors

#### **Facilitator**

Manika Khanna joined the Gateway-Mumbai team in 2013, and she is currently serving as Coordinator of the school's Counseling Department. She has a B.A. in Psychology from the University of Waterloo (Canada) and a M.A. in Clinical Psychology from the University of Indianapolis (US).
