

**Employment opportunity at The Gateway School of Mumbai**  
**Position: School Counselor**

At Gateway, counselors invest time in understanding the unique profiles of individual students and think critically about the design of their social-emotional programs. Open-mindedness, creativity and collaborative approaches are essential to this design process.

**Qualifications & prerequisites**

- Master of Psychology
- English language proficiency
- Openness and enthusiasm to learn
- Experience of working in a school setting is preferred

**Job Profile**

- To assess, plan, and execute social-emotional therapy classes in 1:1, small group, or large groups, under the mentorship of the Coordinator of the Counseling Department
- To work as part of a multidisciplinary team in close collaboration with lead teachers and other therapists to plan lessons and design Individualized Educational Plans (IEPs) for students

**Contract Terms**

**Period:** Minimum 2 years, full time position only (8am– 4pm, 5 days per week)

**Salary:** Negotiable based on background and experience
