

Language Program Coordinator

At Gateway, teachers invest time in understanding the unique profiles of individual students and think critically about the design of their lessons. Open-mindedness, creativity and collaborative approaches are essential to this design process.

Qualifications / Prerequisites:

- Bachelor/Masters in Education/Language Arts
- At least 2 years of teaching experience
- Experience with implementation and design of language curriculum
- Experience with IGCSE/IB curricula is preferable
- Openness and enthusiasm to learn

Job Profile:

- To work collaboratively with the leadership to design and implement the Language Program and oversee the professional development of the language team
- To coach the language teachers through planning and implementation support
- To work as part of a multidisciplinary team in close collaboration with Lead teachers and Therapists to plan lessons

Contract Terms:

Period: Minimum 2 years Full time position only (8am– 4pm, 5 days per week)
Salary – negotiable
