

## **Employment opportunity at The Gateway School of Mumbai** **Position: Speech and Language therapist**

At Gateway, Speech and Language therapists invest time in understanding the unique profiles of individual students and think critically about the design of their speech and language development programs. Open-mindedness, creativity and collaborative approaches are essential to this design process.

### **Qualifications & prerequisites**

- Bachelor or Master of Speech and Language Pathology
- English language proficiency
- Openness and enthusiasm to learn

### **Job Profile**

- To assess, plan, and execute speech and language therapy sessions in 1:1, small group, or large groups, under the mentorship of the Coordinator of the speech and language therapy Department
- To work as part of a multidisciplinary team in close collaboration with lead teachers and other therapists to plan lessons and design Individualized Educational Plans (IEPs) for students

### **Contract Terms**

**Period:** Minimum 2 years, full time position only (8am– 4pm, 5 days per week)

**Salary:** Negotiable based on background and experience
